BBYC ETHELLES REGISTRATION AND TEMPORARY GUEST MEMBERSHIP FORM

BBYC CLUB POLICY - It is the policy of the Biscayne Bay Yacht Club to offer the use of our facilities to guests associated with both local and national racing events on a limited basis. We ask all guests to please observe the club rules as posted and to respect the activities of club members as well as the protection of club property while you are visiting.

ETHELLES BOAT STORAGE - Requests for onsite Etchells boat storage for the **2026 ETHELLES BISCAYNE BAY REGATTA SERIES** will be prioritized on a first to register and pay all entry fees for the series, first accepted basis. There will be approximately 20 spaces available at BBYC for visiting Etchells, and once filled, BBYC will not accept additional applications for storage. **Storage fees of \$1200.00 per month** (or any part thereof), plus Florida State tax of 7%, will be charged for boat and trailer storage at BBYC. Storage charges will be billed directly to the registered boat owner/charterer by the Yacht Club each month. **Visiting Etchells participating in the 2026 Series should not arrive on BBYC grounds prior to November 30th, 2025, or remain stored on BBYC grounds after March 30th, 2026**, unless specific permission is obtained from the Yacht Club manager. All Etchells trailers must have clearly marked owner contact information on the trailer. Alternative arrangements for storage in the local area may be found at the US Sailing Center (www.usscmiami.org), or at the Shake-A-Leg Miami facility (www.shakealegmiami.org).

VEHICLE PARKING PASSES - Guest vehicles **shall not** be parked at BBYC overnight or between events. During the Etchells events, parking is a premium and one (1) offsite parking pass per day will be allotted for each visiting Etchells team. The offsite parking facility is a short walking distance to BBYC. All guests are asked to please observe all parking notices and areas allotted for **members only** parking. No boats or trailers are to be left unattended on the black top prior to or after launching. All trailers must be parked on the west lawn or in a specific space assigned by the shore manager.

LAUNCHING / RIGGING / HOIST AREA - Stepping and rigging masts must be done in an area that does not obstruct movement of other boats and trailers. BBYC will have personnel and tractors available to move Etchells and trailers to and from the hoist area during events. Competitor's vehicles are not allowed in the launching/rigging area at any time.

WET SLIP ASSIGNMENT - Once launched, boats should take an assigned slip or raft-up on the pier heads. Boats should not remain in the launching area of the basin. The BBYC Shore Manager will have a list of available slips and rafting areas.

TEMPORARY GUEST MEMBER CHARGING PRIVILEGES - The Club bar and food service facilities are available to all registered guest skippers and crewmembers. Temporary BBYC Guest Memberships will be granted only to owners and skippers and only upon completion of (a) the Etchells Registration and Temporary Guest Membership Form and; (b) Billing Security Agreement. Billing Security Agreements will be available at registration in the BBYC Main Office where upon completion and to ensure payment, an imprint of the credit card imprint will be taken. **ALL INFORMATION WILL REMAIN CONFIDENTIAL.**

SECURITY - Biscayne Bay Yacht Club does not accept any liability for vehicles, boats, or trailers on the premises, and as such, all guests should take appropriate action to best secure individual personal items. Yacht Club Rules prohibit overnight parking, camping and/or sleeping in vehicles on the club grounds. Club access through the main gate is a responsibility for all visiting guests, and the utmost care should be taken to prevent un-authorized access.
